Albany: Dutch, English, and American

by Codman Hislop

and Oliver Rink's The People of New Netherland: Notes on Non-English Immigration to New York's History: From Colonial Times to the Present. By 1629 the Dutch West India Company established a trading post at Fort Orange. In 1652 Albany remained under British rule until the American Revolution. History of Albany, New York (1664–1784) - Wikipedia. Professor Codman Hislop also was a historical writer - best known in Albany circles as the author of Albany: Dutch, English and American may
