

LSWR West Country Lines: Then and Now

by Mac Hawkins

LSWR West Country Lines Then and Now by Mac Hawkins . Synopsis. Mac Hawkins presents a selection of photographs of the once great London and South West Railway at work throughout the West Country, together with line drawings and maps. Not only did the LSWR reach Exeter, but by going north a little on the Great Western and then striking west across the top of Dartmoor (and a now largely closed route) its route are still there as picturesque branch lines, but if only it had been kept. great Pacific steam engines such as, appropriately, the West Country class.
